Please Note: GRACRE spends 25% of member dues to support lobbying activity at the state level. The IRS has ruled that you may not deduct, as a business expense, the portion of dues spent on lobbying at the state and federal level. Annual GRACRE dues are \$200. In calculating deductible business expenses, you must subtract \$50 from your total dues amount. As always, consult with your tax professional for assistance in determining your allowable income tax deductions.
